From ARU Circular Letter No. 3 (1897)
[excerpt]
(April 1, 1897)**

April 1, 1897.

Official Circular No. 3. ¹

A special convention will be held, probably in June. The Board of Directors now have the matter under advisement, and the official announcement will be made at an early day. The convention will, without doubt, take advance ground and adopt a new policy fully abreast of the progressive spirit of the times. It will be a most interesting and important gathering. The veterans will be in line again, and upon the scene.
