PAN-AFRICANISM or COMMUNISM? The Coming Struggle for Africa by

George Padmore, Roy Publishers, N.Y.

Printed in GB, Liby of Congress catalogue No. 65-9307

Thanks Mr. Aka Mazaia of Uganda Nat. Congress & Hugh Scotland, Sec. of Coloured Peoples' Association, J.A. Rogers & WEBD DuBois Foreword by Richard Wright, dated 2/2/56 Paris—"Breaking did not mean he supported enemies of S.U. .... trying to achieve thru his own instrumentalities that which he had worked for when he was in the Comintern hierarchy."

ALL IN BIG CAPS

Introd. dated by Padmore July 1955 London, says: "The main purpose of the book, however, is to record the rise & growth of contemporary Negro pol. movements: 'Pan-Africanism' & 'Garveyism' or 'Black Zionism'.... As affirmed by CLRJ, the W.I. Historian, the name of Garvey resists through Afr. (A Rise of Negro Revolt).... Pan Africanism subscribes to the Garveyist doctrine of non-violence as a means of attaining self-determination & racial equality.... working for universal brotherhood, social justice & peace for all peoples everywhere.... Pan Africanism recognizes much that is true in Marican interpretation of his, since it provides a rational explanation for a good deal that would otherwise be unintelligible. But it nevertheless refuses to accept the pretentious claims of doctrinaire (DOCTRINAIRE) C-Lam, that it alone has the solution to all the complex racial, tribal & socio-eco problems facing Afr. It also rejects C-ist intolerance of those who do not subscribe to its ever-changing party line, even to the point of liquidating them as 'enemies of the people'. Dem. & Brotherhood cannot be built upon intolerance & violence.... Economically & socially Pan-Africanism subscribes to the fundamental objectives of Dem. Soc., with state control of the basic means of prod. & distribution....
