# **SOCIALIST APPEAL**

## **BRITAIN IN CRISIS**

Ted Grant

Written towards the end of 1992, this pamphlet reviews the crisis facing British capitalism and analyses the effects on the Tories and on the Labour movement. A brilliant anticipation of the turmoil of recent times. Price—£1.

## **SCOTLAND: SOCIALISM OR NATIONALISM?**

Ted Grant

Written in 1992, it takes up the question of Scottish nationalism and the attitude of Marxism towards it. In doing so it tackles questions such as the SML and OILC. Price £1

## **A JOB FOR ALL—THE CASE FOR SOCIALIST PLANNING**

M. Roberts, I. Illet & M. Brooks

With the debate on Clause 4 now raising the question of the need for public ownership this pamphlet examines the various policies which have been raised to deal with unemployment and explains the need for socialist planning to achieve the object of full employment. Every socialist will find plenty to use here to assist in arguing the case for public ownership and socialism. Price £1.

## **IN DEFENCE OF MARXISM**

*This series of pamphlets seeks to satisfy the growing thirst by class conscious workers for an explanation of the complex events and processes unfolding not only in Britain but internationally. These pocket guides seeks to put Marxist theory back in the forefront of workers study.*

### **No 1. MARXISM IN OUR TIME**

Leon Trotsky.

A reprint of this excellent long unavailable article seeks to defend the basic ideas of Marxism against those who would consign them to the dustbin of history. With a new introduction by Alan Woods and Ted Grant which updates the arguments to the present day. Price £2.

### **No 2. ABC OF MATERIALIST DIALECTICS**

Leon Trotsky.

This marvellous short article on Dialectics by Trotsky with a new introduction by Rob Sewell and a short addition summary of the basic points of dialectical materialism by John Pickard provides a good introduction to this important aspect of theory which every worker will be able to study and learn from. Price £1.

### No 3. AFTER THE CEASEFIRE...IRELAND: A MARXIST ANALYSIS

Ted Grant

The announcement of the ceasefire by the IRA raises important questions for all socialists. This pamphlet defends the stand of Marxism against the position of individual terrorism and for a socialist approach to the situation. With an appendix on Connolly and the 1916 rising, it looks at the lessons for the Labour movement and the way forward now. Price £1.

### No. 4. WHERE IS CHINA GOING?

Alan Woods

To mark the anniversary of the Tiananmen massacre, this pamphlet looks at the direction China is going in and asks whether capitalism could be successfully restored. It predicts a stormy period of struggle and upheaval over the coming period. Price £1.

Future pamphlets include ones on Clause 4 and the relevance of socialism (WHAT IS SOCIALISM?), Historical materialism, Engels (to celebrate the 1995 anniversary) and more... contact us for details.
