

1914,—“a foul corpse” is the appellation which Rosa Luxemburg gave them, and with which their name will go down in the history of the international labor movement. But in the back yard of the labor movement, among the manure piles, chickens like Paul Levi, Scheide-

now coming to life the prophetic vision of Marx in 1850, who saw the workers' state as the councils of workers, and Lenin observed in this soviet the reflection of the future Soviet state, the only working class authority during the revolution.”
