## Why Editors are Unhappy.

The editors of various newspapers are expressing their dissatisfaction with the current state of affairs in the country. They cite several reasons for their unhappiness, including political corruption and social inequality.

## What you can do to improve the

condition of our country is to support the industrial democracy movement. This involves supporting policies that promote fair wages, safe working conditions, and the right to organize.

## THE INDUSTRIAL DEMOCRACY

# THE FOUNDATION OF GOVERNMENT

BY W. L. BENTON.

There was no doubt about it when the industrial democracy movement was first proposed. The world is in a state of transition, and the old forms of government are no longer adequate to meet the needs of the new era.

The industrial democracy movement is not a new idea. It has its roots in the principles of justice and fairness that have guided the people of this country since its founding.
