

State Office Notes

T. A. HICKY, State Sec. Hallsville, Texas.

BIG MEMBERSHIP GAIN.

During the month of October, the state was up to the national. For a total of \$10,000 for the state. This means a total of 200 members or a gain of 200 members over the previous month. Next month's showing will be still better.

OVER 125 DELEGATES.

We have a far received word from 70 locals that will be represented by delegates at the great Waco convention on November 11 and 12, in the National hall next to the Times-Herald building.

This would indicate that the total number of delegates will reach no less than 125, and that of the hundreds of visitors that will be on hand from every part of the state.

We have received word from the Cotton States people that quite a number of the exhibitors at the Waco fair are advertising special rates like the 1 1/2 fare for all trains arriving in Waco on the 10th and leaving there the night of the 12th. Ask your station agent about these rates.

In addition there will also be the ten-day limit ticket at 1 1/2 fare.

There was a delay, due to error receiving dues stamps. However, everything is moving along smoothly. The night of the 10th, the error having been rectified.

Great Local.

Gore was a local leader with 25 charter members. Most of the charter members were in Woodman Hall. Public speakers who may come this way have a special invitation to be given.

H. H. Hadfield, secretary of the Houston local (English) reports: "Enrolled M. O. for 40 dues stamps. The members of the local are paying up very fast. In the past month and the outlook for the future is encouraging."

Congressional Secretary Webb

"Enrolled find checks for \$16.50 for which send me 222 stamps for male members and one for ladies. Things doing in the 10th."

De La Cruz.

J. W. Leggie, Hillsboro, Tex. writes: "I am a very Socialist. I have been selling the ticket for two years, but I want to be a card member. An I don't like to see the cause and want to live up."

Reorganizing Sherman.

Franklin, Tex., Oct. 1915. Mr. T. A. Hickey, Dear Comrade: Please let me speak in regard to the locals that have been suspended. I want to reorganize this county so we can put out a ticket in 1916.

R. A. Smith, Co. Sec.

From Fort.

O'Brien Tex. I want to send you old boy a few dollars, if possible. Nothing would afford me more pleasure but if I can't send with you in person I'll write you with my heart and tell the boys O'Brien has held two conventions this year. I have been meeting and get money in the treasury and they can do the same if they will get by the harness.

Yours, Joe Hudspeth.

EVERYWHERE THE COMRADES ARE RAISING FUNDS FOR A GREAT STATEWIDE SCHOOLSCHOOLHOUSE CAMPAIGN. WHY NOT YOU? RAISE ENOUGH TO PAY A SPEAKER FOR ONE DAY IF YOU CAN DO NO BETTER, THEN NOTIFY THIS OFFICE HOW MANY DAYS YOU CAN USE A SPEAKER AT \$3 PER DAY.
