NOTE: This list covers only the most essential Party documents and resolutions and the relevant works of reference. It does not lay claim to completeness. For a thorough study a number of valuable books on economic and political subjects and on problems of mass movements by Party leaders, election manifestos, and election pamphlets published in 1946, 1952, 1957 and 1962, as well as *Communist* (Monthly) 1947 to 1950, and *New Age* (Monthly) 1953 to 1962 will have to be consulted.
